Title VI Policy

TJPDC assures that no person shall, on the grounds of race, color, or national origin, as provided by Title VI of the Civil Rights Act of 1964 and the Civil Rights Restoration Act of 1987 (Public Law 100.259), be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. TJPDC further assures that every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not. In the event TJPDC distributes federal-aid funds to another governmental entity, it will include Title VI language in all written agreements and will monitor for compliance.

Overview

Title VI of the Civil Rights Act of 1964 prohibit discrimination on the basis of race, color, or national origin by agencies that receive federal financial assistance (Appendix A). As a recipient of federal financial assistance, the Thomas Jefferson Planning District Commission (TJPDC) and its programs do not discriminate on the basis of race, color, or national origin (Appendix B).

The Title VI Implementation Plan describes the measures TJPDC adopts to ensure compliance with Title VI in four sections:

- 1) Title VI Program,
- 2) Limited English Proficiency,
- 3) Coordinators, and
- 4) Discrimination Complaints.

Title VI Program describes how the TJPDC ensures nondiscrimination in communications and public participation, planning and programming, consultant contracts, and education and training. Limited English Proficiency (LEP) describes the statement of commitment to LEP persons, implementation of LEP activities, and monitoring and updating of LEP procedures (Appendix K). The relevant coordinators are Ruth Emerick, Chief Operating Officer and Lucinda Shannon, Senior Regional Planner/Title VI Manager and TJPDC program managers. Appendix F titled Discrimination Complaints describes the procedures for handling discrimination complaints.

This Title VI Implementation Plan describes how all programs and projects staffed or funded by the TJPDC will follow Title VI of the Civil Rights Act of 1964. The TJPDC is the contractual administrator of the Charlottesville Albemarle Metropolitan Planning Organization (CA-MPO) and Charlottesville Regional HOME Consortium, as well as having other grant-funded program areas. This plan applies to the following programs:

1. Charlottesville Albemarle Metropolitan Planning Organization (CA-MPO)
2. Rural Transportation Program
3. HOME Investment Partnership (Charlottesville Regional HOME Consortium)
4. Housing Preservation Grant
5. HOME Investment Partnership American Rescue Plan Act (HOME-ARP)
6. Chesapeake Bay Watershed Implementation Plan
7. Hazard Mitigation Plan
8. Virginia Telecommunication Initiative (VATI)

The chief operating officer is responsible for oversight of the program areas listed above. She will work with the Title VI manager to ensure that any TJPDC program or its projects are Title VI compliant through staff training, Title VI policies for the agency, and program reviews. To ensure that program areas comply, staff will have an introduction to Title VI training relevant to their program area and yearly agency Title VI training. Staff will be made aware of this Title VI Implementation Plan and its requirements and resources (Appendix: D, E).

The HOME Investment Partnership, Housing Preservation Grant, and HOME Investment Partnership American Rescue Plan Act are TJPDC programs with sub-recipients. The planner responsible for these programs reviews the subrecipients annually following Housing and Urban Development guidance.

Title VI Implementation Plan

TJPDC works with local jurisdictions to enhance regional planning. Occasionally, TJPDC staff will develop small area plans that may affect minority or low-income communities. The procedures for conducting reviews of the program areas are as follows. The Chief Operating Officer or the Title VI manager will review TJPDC program workplans at the beginning of each Fiscal Year by meeting with the program managers to identify projects that need to have a four factor analysis. If any of the program area projects need a four-factor analysis, the program manager will be instructed on how to complete the four factor analysis and given Title VI resources. Once the analysis is complete the Title VI coordinator will help the program manager with the following steps to ensure compliance and non-discrimination based on race, color or national origin (Appendix: D, E).

1 Title VI Program

To ensure Title VI Compliance, TJPDC staff and the decision-makers of its organizations and programs will not discriminate on the basis of race, color, or national origin.

TJPDC staff evaluate and monitor compliance with nondiscrimination authorities in its:

- Communications and Public Participation
- Planning and Programming
- Consultant Contracts
- Education and Training

To comply with Title VI, TJPDC:

- Maintains current Title VI Assurances (Appendix C)
- Promptly corrects any deficiency identified
- Conducts regular reviews of program areas and contractors (Appendix D)
- Reviews sub-recipients Title VI procedures on a regular basis (Appendix E)
- Documents and prepares reports of Title VI efforts on a regular basis
- The TJPDC executive director designates a Title VI manager.

1.1 Communications and Public Participation

TJPDC endeavors to communicate with and provide opportunities for minority, low-income, and disabled persons to participate. The Charlottesville-Albemarle Metropolitan Planning Organization, which is staffed by TJPDC, maintains a public participation plan that describes the process by which it consults with interested and affected individuals, organizations, agencies, and government entities and includes them in the decision-making process. The public participation plan and all other public participation opportunities of TJPDC and the organizations and programs and its staffs comply with Title VI requirements.

To ensure Title VI compliance in communications and public participation, TJPDC staff will:

- Include contact information for people needing accommodations in notifications of opportunities for public participation.
- Post the Title VI Policy on the website.
- Include the following statement in public notices:

“TJPDC fully complies with Title VI of the Civil Rights Act of 1964 in all programs and activities. TJPDC provides reasonable accommodations for persons who require special assistance to participate in public involvement opportunities. For more information, or to obtain a Discrimination Complaint Form, contact (434) 979-7310 or www.TJPDC.org.”

- Provide reasonable accommodations for people who require special assistance to participate in public involvement opportunities.
- Collect and monitor demographic data during public input opportunities, conducting additional target outreach if the data shows a deficiency in public input from particular groups.
- Recruit diverse applicants, including minorities, low-income persons, and disabled, to opportunities for public participation and to serve on committees.

1.2 Planning and Programming

To ensure compliance in planning and programming processes, TJPDC staff will:

- Prepare and update publicly available demographic profiles of the region using the most current and appropriate statistical information.
- Consider a high-level overview of benefits and burdens of TJPDC transportation projects on minority and low-income populations, using maps and geographic demographic data to determine projects that could impact such populations. Lead agencies in individual projects are responsible for in-depth analyses of environmental justice as they move forward.
- Conduct an environmental justice analysis during the development of the Charlottesville-Albemarle Metropolitan Planning Organization Long-Range Transportation Plan.
- Review directives to determine if there are Title VI implications and interpret how directives impact Title VI program areas.
- Include environmental justice aspects of performance measures in transportation performance-based planning and programming, when relevant.

1.3 Consultant Contract

TJPDC is responsible for selection, negotiation, and administration of its consultant contracts. TJPDC complies with all relevant federal and state laws in contract selection. TJPDC staff evaluate and monitor consultant contracts for compliance with nondiscrimination authorities. TJPDC staff will:

- Ensure inclusion of nondiscrimination language in contracts and Requests for Proposals.
- Ensure that all consultants verify their compliance with nondiscrimination authorities, procedures, and requirements.
- Work with the recipient or sub-recipient, if found to be not in compliance with nondiscrimination authorities, to resolve the deficiency status and write a remedial action if necessary.
- Review outreach activities to ensure small, disadvantaged, minority, women, and disabled veteran businesses are not excluded to participate in opportunities to compete for consulting contracts.

As part of the Certifications and Assurances submitted to the Virginia Department of Rail and Public Transportation (DRPT) with the Annual Grant Application and all Federal Transit Administration grants submitted to the DRPT, TJPDC submits a Nondiscrimination Assurance which addresses compliance with Title VI, nondiscrimination in hiring (Equal Employment Opportunity) and contracting (Disadvantaged Business Enterprise), and nondiscrimination on the basis of disability. In signing and submitting this assurance, TJPDC confirms to DRPT the agency's commitment to nondiscrimination and compliance with federal and state requirements (Appendix: C, D, E).

Disadvantaged Business Enterprise

Disadvantaged Business Enterprises (DBE) are for-profit small business concerns where socially and economically disadvantaged individuals own at least a 51% interest and control management and daily business operations. African Americans, Hispanics, Native Americans, Asian-Pacific and Subcontinent Asian Americans, and women are presumed to be socially and economically disadvantaged. Other individuals can also qualify as socially and economically disadvantaged on a case-by-case basis. The U.S. Department of Transportation's DBE regulations require state and local transportation agencies that receive federal financial assistance to establish goals for the participation of DBEs.

TJPDC supports the objectives of the DBE Program:

- To ensure nondiscrimination in the award and administration of Federal Highway Administration assisted contracts.
- To create a level playing field on which DBEs can compete fairly for Federal Highway Administration-assisted contracts.
- To ensure the DBE Program is narrowly tailored in accordance with applicable law
- To ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs.
- To help remove barriers to the participation of DBEs in Federal Highway Administration-assisted contracts.
- To assist the development of firms that can compete successfully in the marketplace outside of the DBE Program.
- To provide appropriate flexibility to recipients of federal financial assistance in establishing and providing opportunities for DBEs.

1.4 Education and Training

To ensure compliance through education and training, the TJPDC Title VI manager will:

- Distribute information to staff, board and committee members, and other stakeholders on training programs regarding Title VI and related nondiscrimination authorities.
- Train staff in Title VI nondiscrimination and implementation annually and with new employee orientation.
- Track Title VI nondiscrimination training of staff and board and committee members (Appendix: D, E).

2 Limited English Proficiency

Individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English are Limited English Proficient (LEP). For a LEP person, language can present a barrier to accessing benefits and services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by federally funded programs and activities. LEP persons may be entitled to language assistance at no cost to them with respect to a service, benefit, or encounter.

TJPDC provides meaningful access to programs and activities by giving LEP persons adequate and understandable information to participate in programs and activities and by taking reasonable steps to remove barriers for LEP persons (Appendix K).

2.1 Statement of Commitment

Meaningful access to LEP persons means ensuring that LEP persons can communicate effectively, and act appropriately based on that communication. TJPDC will take reasonable steps to ensure LEP persons have meaningful access to programs, activities, services, and information that are normally provided in English. Failure to ensure that LEP persons can effectively participate in federally assisted programs and activities may violate the prohibition against national origin discrimination under Title VI of the Civil Rights Act of 1964.

2.2 Implementation

Implementation guidelines describe what should be done when an LEP person is encountered or an LEP request is made as well as what activities should be done routinely to keep information and training up to date.

LEP Encounter

When staff encounter LEP persons or request for language assistance, they will use these guidelines to determine what assistance can be provided.

The language assistance services available to TJPDC are:

- CyraCom: TJPDC has a Pay-As-You-Go account with CyraCom – On Demand Over-the-Phone Interpretation (www.cyacom.com). CyraCom maintains telephone assisted interpretation capability for over 100 languages (\$1.45/minute) and written translation services for a fee. Contact TJPDC’s Title V manager for account information.
- Translation services available through CyraCom, contact TJPDC’s CyraCom account manager Katriel Cooper by phone at (520) 745-9447 x2321827 or email: kcooper@cyacom.com for a quote.

The need for LEP services depends on the type of contact.

- In-person Contact: Use the Language Identification Flashcard, posted in the TJPDC entrance, to attempt to identify the language spoken. Enlist the assistance of bilingual staff and/or Cyra-Com service to obtain the LEP person’s name and contact information.
- Telephone Contact: Enlist the assistance of bilingual staff and/or Cyra-Com service as needed.

- Written Contact or Documents: Engage translation service such as Cyra-Com.
- Request for translation at a meeting: Use Cyra-Com service or other translation service.

Cost alone will not determine whether a request is granted. Language assistance services deemed appropriate will be made available at the expense of TJPDC.

- Requests for under \$100: Will be granted. For Spanish, a phone call that might last up to 30 minutes or a document that is 1 typed page in English is likely to fit this criterion.
- Requests for over \$100: Title VI Manager and the TJPDC Executive Director review based on the four-factor analysis (page 8) and grant if deemed vital.

Routine LEP Implementation Activities

The Title VI manager will:

- Post written notices on the website and/or in a public area regarding the right to free language assistance for persons conducting business with TJPDC in the most likely to be encountered languages (as determined using the four-factor analysis).
- Ensure that public notices and publications include statements that TJPDC provides reasonable accommodations for persons who require special assistance to participate in public involvement opportunities.
- Maintain the language assistance resource list, updating with current resources.
- Ensure staff understand:
 - The right to free language assistance for LEP persons.
 - How to use language assistance resources.
 - To include statements in public notices and publications that TJPDC provides reasonable accommodations (Appendix D).

2.3 Monitoring and Updating

TJPDC will monitor its LEP policies and practices, review them regularly with the four-factor analysis, and update as needed.

To monitor LEP policies and practices, the Title VI Manager will:

- Review TJPDC activities on a regular basis for providing meaningful access to LEP persons.
- Document requests for translation services and encounters with LEP persons and provide reports when requested.

Four-factor analysis

The four-factor analysis is used to assess the need for language assistance services:

1. Demography – number and proportion of LEP persons served and languages spoken in service area.
2. Frequency – rate of contact with service or program.
3. Importance – nature and importance of program/service to people's lives.
4. Resources – available resources, including language assistance services.

The TJPDC staff will:

- Regularly review demographic data based on the four-factor analysis. If a language other than English is the primary language of >5% of the population, the LEP guidelines may need

Title VI Implementation Plan

to be modified to meet the new needs.

- Collect and maintain demographic statistics on persons who are affected in their projects and studies (Appendix G).
- Solicit feedback from locality social service departments and community-based organizations serving LEP persons to evaluate how well its practices meet their needs.

Locality social service departments and community-based organizations serving LEP persons include:

- Crescendo Juntos
- Region 10 Community Services Board.
- Sin Barreras Charlottesville.
- Virginia Department of Social Services.

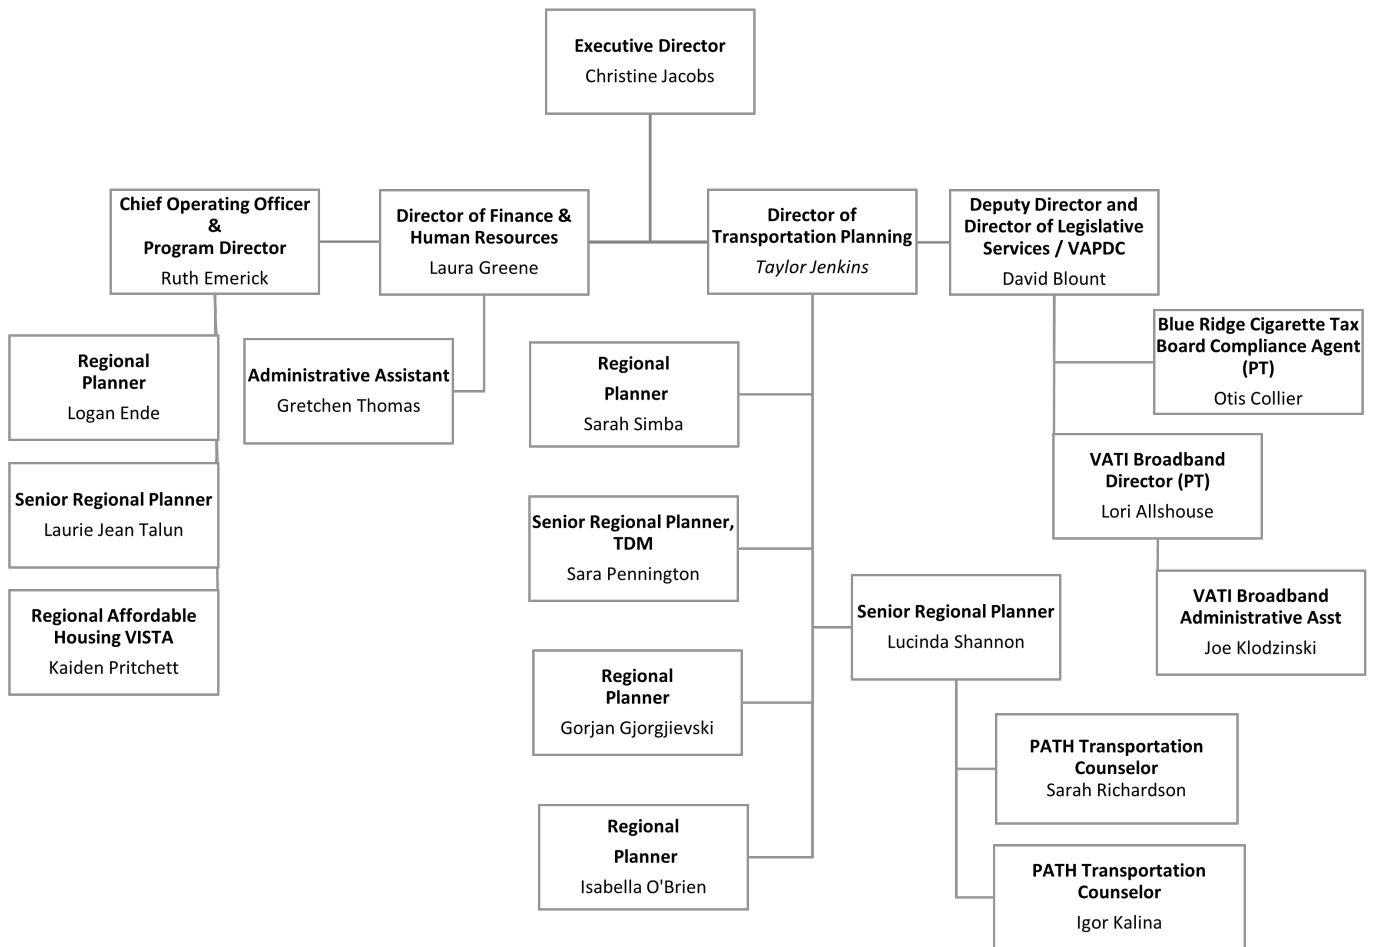

The feedback solicited from these departments and organizations may include:

- Nature and importance of projects, studies, and activities to LEP persons.
- The effectiveness of current language assistance measures in meeting the needs of LEP persons.
- The effectiveness of staff LEP trainings and agency-wide language assistance protocol.
- Changes in the frequency of contact with LEP language groups.
- Changes in the availability of resources, including technological advances or financial resources.

3 Coordinators

The Chief Operating Officer is Ruth Emerick, (434) 422-4821, remerick@tjpd.org and the Title VI Manager is Lucinda Shannon, (434) 979-0654, lshannon@tjpd.org. The secondary contact for Title VI issues is Gretchen Thomas, (434) 422-4080, gthomas@tjpd.org. The Thomas Jefferson Planning District's organization chart on the next page demonstrates that the Title VI Manager and secondary contact have easy access to the Executive Director.

4 Discrimination Complaints

Any person who believes that TJPDC has unlawfully discriminated against them may file a complaint with TJPDC. The following steps/procedures are written for TJPDC staff to follow. A person who believes there has been discrimination may use the information below and forms in Appendix F to file a complaint.

4.1 Eligibility

Any person who believes they—or a specific class of persons—were subjected to discrimination on the basis of race, color, or national origin in the programs and activities of a Subrecipient that receives federal financial assistance through a primary Recipient may file a Title VI complaint.

4.2 Filing a complaint

A discrimination complaint form is available in the [Title VI Implementation Plan Appendix F](#) and can be found at the bottom of the CA-MPO website. A paper copy can be obtained at 401 East Water Street, Charlottesville, Virginia or requested by mail, and a copy is provided in Appendix F: Discrimination Complaint Form. The complaint form can be submitted online, by mail, or in person at 401 East Water Street, Charlottesville, Virginia. The Title VI Manager can assist the person in filing a complaint if needed.

According to USDOT regulations, 49 CFR §21.11(b), a complaint must be filed not later than 180 days after the date of the last instance of alleged discrimination, unless the time for filing is extended by the processing agency.

4.3 Complaint processing

Complaints will be routed to the FHWA Headquarters Office of Civil Rights (OCR) for processing. OCR is responsible for all determinations regarding whether to accept, dismiss, or transfer Title VI complaints filed against State DOTs or Subrecipients of Federal financial assistance.

Complaints will be forwarded from the initial receiving agency through the Federal-aid highway oversight hierarchy until the complaint reaches OCR. For example, if a complaint is filed with TJPDC, TJPDC will forward the complaint to the Virginia Department of Transportation, which should forward the complaint to Virginia's FHWA Division Office, which should forward the complaint to OCR. TJPDC will log all complaints received.

When OCR decides on whether to accept, dismiss, or transfer the complaint, OCR will notify the Complainant, the FHWA Division Office, the Virginia Department of Transportation, and TJPDC.

The MPO Policy Board, Chair, Mr. Ned Gallaway, presided and called the meeting to order at 4:00 p.m.

2. MATTERS FROM THE PUBLIC (MINUTE :25)

- a. **Comments by the Public:** Peter Krebs, Piedmont Environmental Council, addressed the board about Smart Scale. He is concerned about the cost of the projects for Smart Scale in the Charlottesville Albemarle MPO area, some nearly doubling in estimated costs. He understands that inflation is a factor as are other contingency factors. He thinks that these numbers are on the high side. He said perhaps there could be a reformulation of the projects or some sort of positive hedge. He looks forward to hearing how the board moves forward. He thanked the board for their steadfast work to make the community better for everyone.
- b. **Comments provided via email, online, web site, etc.:** None.

3. GENERAL ADMINISTRATION* (MINUTE 4:20)

Review and Acceptance of the Agenda* (Minute 4:28)

Mr. Gallaway asked Sandy Shackelford to officially call roll.

5. TITLE VI PLAN (MINUTE 8:34)

Motion/Action: Councilman Pinkston made a motion to approve the use of the updated TJPDC Title VI Implementation plan for the Charlottesville Albemarle Metropolitan Planning Organization. Supervisor Mallek seconded the motion and it passed unanimously.

6. REGIONAL TRANSIT VISION PLAN & GOVERNANCE STUDY (MINUTE 13:54)

Ms. Shannon presented the board with the update on the Regional Transit Vision plan. The Regional Transit Governance Study for Region 10 was based on the recommendations from the Regional Transit Vision plan. Ms. Shannon presented the board with the background, the study goal, approach, the stakeholders and the extensive engagement plan planned. She continued with how the study will create consensus.

Ms. Mallek noted that this is something that was undertaken in 2005 and said that there was no consensus on which jurisdictions would take on the different responsibilities.

7. LONG RANGE TRANSPORTATION PLAN 2050 (MINUTE 22:39)

Ms. Shackelford gave an overall update on the LRTP including work completed to date and work still in progress. She noted that the document was been renamed to "Moving Toward 2050" to make it more engaging and seem less technical.

She reported on the public and extensive stakeholder engagement process.

She discussed the public engagement strategy in Phase I will include stakeholder meetings with key community

members of targeted populations in ongoing plan development. These discussion groups will provide feedback on goals and objectives that were drafted by staff/MPO committees.

Ned Gallaway noted that it is important that these public stakeholders be aware of what each one of the organizations is and how the process works.

Ms. Shackelford noted that in Phase II, the engagement strategies will include public meetings, public intercepts and surveys. This will help to prioritize goals and obtain public feedback on transportation improvement needs. There was a discussion about how best to reach neighborhoods and other geographic boundaries through Community Action Committees, Homeowners Associations and others.

Julia Monteith suggested explaining what the value is of the LRTP to the community members. That may help to demystify the plan and the process.

Ms. Shackelford continued by describing Phase III including public meetings, public intercepts and public comments. The last phase will include a public hearing. She went onto describe the proposed stakeholder discussion groups and how to best organize them and asked the board for feedback. She has the groups broken into four categories: business, safety professionals, equity priority communities, and special interests.

Mr. Gallaway noted that it was most important to hear from everyone from these groups not that they were in certain groups.

There were suggestions made on who to involve in the process including representatives from CAAR; Livable Cville; local police; fire chiefs; JABA; Southwood; UVA, City, and County Economic Development departments; Region 10; and Rev. Dr. Alvin Edwards of Mt. Zion First African Baptist Church.

Ms. Shackelford reviewed the draft goals and objectives and metrics.

Supervisor Gallaway said it will be important to inform the stakeholders with the budget numbers so they can make decisions about their priorities.

Ms. Shackelford presented the immediate next steps including scheduling stakeholder discussion group meetings and review previous public engagement related to transportation system improvements.

8. SMART SCALE PROJECT REVIEW (MINUTE 1:17:40)

Ms. Shackelford reviewed the final project cost estimates for Round 5 of Smart Scale. She noted that the costs were initially base-cost estimates, and with inflation, these cost estimates have increased dramatically. She noted that because they are so high, there is the expectation that most of the projects will not be funded.

There was a discussion about how to mitigate this issue in the future.

9. ROUNDTABLE UPDATES (MINUTE 1:42:40)

UVA: Julia Monteith had nothing to report for UVA.

TJPDC: Christine Jacobs did not have any update for TJPDC.

Jaunt: Ted Rieck did not have anything to report on for Jaunt.

CAT: Garland Williams has nothing more to share as an update.

CTAC: Lee Kondor had nothing more to update.

Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.”

The Thomas Jefferson Planning District Commission has transit-related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which we select.

Appendix M: Monitoring Section VI Complaints for DRPT

As part of the complaint handling procedure, the Title VI Manager investigates possible inequities in service delivery for the route(s) or service(s) about which the complaint was filed. Depending on the nature of the complaint, the review examines span of service (days and hours), frequency, routing directness, interconnectivity with other routes and/or fare policy. If inequities are discovered during this review, options for reducing the disparity are explored, and service or fare changes are planned if needed.

In addition to the investigation following an individual complaint, the Title VI Manager periodically reviews all complaints received to determine if there may be a pattern. At a minimum, this review is conducted as part of preparing the Annual Report and Update for submission to DRPT.
